

# mineral deodorants

FREE from perfumes, oils, emulsifiers, alcohol, and other harmful chemicals, such as aluminum chlorohydrate.

Dating back to ancient civilization, people have used the crystal stone to eliminate unpleasant body odor.

- No chemicals or synthetics added
- Hypoallergenic
- Non-staining for skin and clothing
- Made with natural mineral salts
- No chemical propellants
- 24-hour natural odor protection

## Available in a Mist or Roll-On

### DEODORANT MIST (NET WT 8 FL OZ (1/2 PT) 232 mL Bottle)

A convenient, non-aerosol, total body deodorant spray made from natural mineral salts.

**NATURAL INGREDIENTS:** PURIFIED WATER AND NATURAL MINERAL SALTS (External Use Only)

### DEODORANT ROLL-ON

(NET WT 3.1 FL OZ (.19 PT) 91.7 mL Bottle)

Receive the same natural 24-hour protection as the mist in a convenient roll-on.

A natural blend of essential oils added to the natural mineral salts give the roll-on a clean, fresh scent.

**NATURAL INGREDIENTS:** PURIFIED WATER, NATURAL MINERAL SALTS, COTTON CELLULOSE (NATURAL THICKENER), NATURAL BLEND OF ESSENTIAL OILS (External Use Only)

NO ALUMINUM  
CHLORHYDRATE
